

Waikanae Estuary Newsletter No 170 April 2021

www.kapitibirdtours.co.nz

Waikanae the wild bird Capital of New Zealand

said last month that this would be my last newsletter which it is however, Loraine sent me this e/mail and asked me to pass it on .
Thanks Loraine.

Some of you may have realised that there is no Waikanae Estuary newsletter from Mik Peryer in your inbox this month! After 16 years of writing Mik has decided it is time to stop, Mik's first newsletter was in 2007 and was three pages with wonderful illustrations. So there has been many years of commitment!

On behalf of all your readers Mik, I would like to say a huge thank you for all the newsletters that have come our way over that 16 years! What a lot of pleasure and knowledge you have shared with us over that time! Your observations have made us more appreciative of our surroundings and those of us who live here realise how lucky we are and that it behoves each of us to take care of what we have!

A huge thank you Mik - enjoy your retirement.
Loraine
